Where is my child's subject results or assignment's (if any)?

1- **Click** or **tap** on the blue "Results" button.

2- Click on **"Result and assignments"**, on a mobile device, parents need to scroll down:

3- From the subject list, when there is a **red circle** it means there is a new result for that specific subject. If you want to see the result, **click** or **tap** on the subject; note that teachers decide if the assignment is visible or not. The weight of an assignment is at the discretion of the teacher.
