3. Business Arising:

4. Question Period (questions received in advance)

5. Reports

a. **Chairperson:** Nothing to report

b. Principal:

We had Staff Appreciation Week in early February. The volunteers created a wellness theme and staff were treated to massages and then treats every day. Thank you to our wonderful and dedicated volunteers!

Our kindergarteners celebrated the 100th day of school. They dressed up as centennials and had a day of fun and counting to 100.

Prekindergarten parents came to school for a workshop on outdoor play and to have fun in the snow with their child. The turnout was great and feedback was extremely positive!

The Annex students went tubing. It was a beautiful cold day, but things ran smoothly and fun was had by all! Grade 2 students attended the circus and learned different skills. Grade one students had a skating day at our skating rink. A volunteer skating coach taught them new skills and it was great introducing some students to a new activity. We had four grade six volunteers help, it was a true delight watching them care for our littles. Our grade six students also took advantage of the skating rink. We had a curling activity in our gymnasiums before Spring Break. Students learned the rules and had curling matches.

Teachers continued with the ongoing PLCs in French and in Math, unfortunately our SEL workshop was cancelled due to the snow day. It has been postponed to June, but we will continue in April with regular programming.

We had Term two assemblies this week to celebrate success!

Thanks to Home and School's fundraising efforts, we received FM systems for all homeroom classes at the Annex. They will be installed next week.

We continue to request for parents to pay their school fees. This is the second personalized email that the principal send to all families owing money informing them that they must pay. There remains 10 000.00\$ of unpaid school fees.

We will no longer have pedagogical days on May 1 and May 29, these pedagogical days were removed due to school closures.

In 2026-2027, we will welcome 34 prekindergarten students and 53 kindergarten students. We will have a total of 418 students thus far.

- c. **Home and School:** The volunteers are busy planning the Pop-Up Shop and the Chocolate Bar Drive.
- d. **Parent Committee:** The results of the budget consultation were presented.
- e. **Daycare Technician:** Nothing to report.

6. **New Business:**

a. **Code of Conduct 2026-2027:**

The Code of Conduct document hasn't changed immensely in the past three years. The School Board (SB) instructed us to insert additions that are in the SB Civility Policy. Teacher Council agreed to keep it status quo. GB members also had the opportunity to look it over. The Code of Conduct will be placed in the agenda, it will be emailed to our community and posted on our website. Amanda-Marie Scolack motioned to adopt the code of conduct 2026-2027; Tammie Lalonde seconds the motion.
